## Seattle Color Management User Group Event

This SCMUG event has been rescheduled for **Tuesday, Dec 12 at 7:00pm**. It had been postponed due to weather conditions. Everyone is welcome. The agenda is:

- Eric Scouten, Adobe Sr. Computer Scientist, will be speaking about color management and workflow within Adobe's new digital imaging application **Lightroom**.
- The event will be held on the **Adobe campus** in Fremont. Go to this link for directions [www.adobe.com/aboutadobe/maps/seattle\\_map.html](http://www.adobe.com/aboutadobe/maps/seattle_map.html) and follow signs from the parking lot.
- Eric will start at 7:00pm – doors open at 6:30pm for pizza and socializing. Cost is \$10 for non-CMUG members and FREE for members.

You can register at [www.pnwcmug.com/pages/events.html](http://www.pnwcmug.com/pages/events.html) and use the Seattle Registration Form Link. OK to re-register if you already had for the Nov. cancelled event.

## ArtMasterPro Christmas Special

Treat yourself to the most sophisticated fine art software available. Take advantage of the **25% Xmas** discount on all fo2PIX products including ArtMasterPro. You can call us, or order at [www.fo2pix.com/jvh](http://www.fo2pix.com/jvh)

## Rebates on Epson Printers end this week

It's not too late to take advantage of these nice Epson rebates. They are valid through **Friday, December 15**. To take a look at the official Epson coupons and list of qualifying media, jump on [www.jvhtech.com](http://www.jvhtech.com) If you want an Epson printer, please contact us before the end of this week.

Buy a **4800** with \$300 of Pro media to get a **\$200** check from Epson.

If you previously owned an Epson ProG printer, get **\$200** more back for a total of **\$400**.

Buy a **7800** with \$300 of Pro media to get a **\$200** check from Epson.

If you previously owned an Epson ProG printer, get **\$300** more back for a total of **\$500**.

Buy a **9800** with \$300 of Pro media to get a **\$200** check from Epson.

If you previously owned an Epson ProG printer, get **\$500** more back for a total of **\$700**.

## Digital Festival in Bellevue WA, Feb 8, 2007

It's **free** and **educational**. Mark your calendar for **Thursday, February 8**. It will be held at the Eastgate Embassy Suites. For those interested, we are also planning a training session on Friday for ArtMasterPro.

Learn about PhotoShop tips, color management, Adobe LightRoom, high-end scanning, print applications, finishing, and marketing strategies. Experts will be here from **Epson, Imacon, ColorByte, Onyx, Adobe, Seal, Fo2PIX, Microsoft, and Apple**.

At the Festival, we will be also holding the **3rd Annual JVH Digital Print Contest**. Contest guidelines will be posted on our website by the end of this month.

You don't want to miss this exciting event. OK to RSVP any time by emailing us, or calling 425.643.7323

## Canon 60" Printer - \$3,000 in your pocket

The new Canon 12-color iPF9000 printers are working very well and we are impressed with them. They have blazing speed, printing about **4 times faster** than an HP or Epson. The bundled template software works well, and most RIP vendors now have drivers available for the printer. Through **December 31**, Canon is offering a **\$3,000** trade-in on any old-dog large-format printer. The trade-in printer does not even need to work. Please let us know if you want more info on the big 60"-wide Canon.

## Demo Equipment available

These demos are essentially brand new. Carry full factory warranties, and are attractively priced. Please let us know if you are interested.

- **Imacon 949 Film Scanner**
- **HP Z2100 24"-wide 8-color Printer**

## Dual-sided RC Luster Paper

This unique new high quality paper is the only **double-sided** RC photo paper on the market. It is available from JVH in sheets up to 13" x 19". Photo Chrome RC Luster DUO is priced at \$1.17/sq ft and offers:

- High saturation with dye and pigmented inks
- Homogeneous gloss in printed and unprinted areas
- Excellent chromatic reproduction and huge tonal range
- True color fidelity, especially skin tones
- Outstanding black-and-white reproduction
- High D-max and perfect grey balance
- High contrast due to bright base and dense black
- Perfect shadows and fine-line detail
