## Digital Festival in Bellevue WA, Jan 30-31, 2006

This is the only Digital Festival to be held this year. Still not too late to RSVP! Just email us at [jvhman@aol.com](mailto:jvhman@aol.com) or call Kathy, Ryan, or John at tel 425.643.7323

**Art Wolfe**, the world-renown landscape and nature photography will be headlining the guest speakers at the upcoming JVH Festival at the Embassy Suites in Bellevue. What an opportunity to learn from the best.

**Epson** will discuss digital fine art printing, as well as provide a technical overview of Epson inks and papers. The new Epson **Gemini 3 digital portrait printing system** will be introduced. We will also have other experts and gurus from **Imacon**, **ColorByte**, **ColorBurst**, **Onyx**, **Seal**, and **Fo2PiX**. Learn about high-end scanning, color management, print finishing, and marketing strategies. It's **free** and educational.

Also at the Festival on Monday, January 30, we will be holding the **2nd Annual JVH Epson Digital Print Contest**. We would like to show off more of our customers' terrific digital artwork and intriguing photography. This time, we are having **categories**, including fine art, landscape/nature, and people/ portrait. Contest rules and details are posted on [www.jvhtech.com](http://www.jvhtech.com)

## Art Wolfe announces the Environmental Photography Invitational for 2006

The Environmental Photography Invitational, or EPI, is a regional photography competition open only to photographers residing in the western states including Alaska and BC. EPI is an event for the advancement of photography as a unique medium for bringing awareness and preservation to our **environment** through art.

A premier photography event, the annual juried competition will, along with awarding cash and merchandise, lead to a six week gallery show. Photographer and creator of EPI, **Art Wolfe**, will host the print exhibit in his newly renovated state-of-the-art gallery space in Seattle. Entries will be accepted between February 1<sup>st</sup> and March 14<sup>th</sup>, 2006. Check [www.epininvitational.com](http://www.epininvitational.com) for more info.

## Epson 4800, 7800, and 9800 printers

4800 and 7800s are now in stock. We are getting more 9800s every week. Let us know if you need a new Epson printer.
