## Epson Ink Cartridge Recycle Program

Epson is pleased to offer its customers an environmentally responsible way to recycle their used **Epson branded** inkjet cartridges. Simply 1) Ensure there is no leakage from the cartridges, 2) Package your used cartridges in an appropriate shipping envelope or box, and 3) Mail your package to:

Epson America, Inc.  
Attn: Recycling Center  
18300 Central Avenue  
Carson, CA 90746

## Wacom Tablets now available from JVH

The Cintiq 21UX interactive pen display provides the **best-of-class** pen experience for working directly on the screen. It combines the advantages of a large-format LCD monitor with the control, comfort, and productivity of Wacom's most sophisticated patented cordless, battery-free pen technology. Working directly with the pen on screen is a natural motion that gives you an unprecedented degree of control and allows you to take

advantage of natural hand-eye coordination, helping you work intuitively and much faster.

The **Cintiq 21UX**, the most popular display pen tablet, is available from JVH for \$1,999. with free shipping. And . . . if you would like to see for yourself what these can do for you, we have a demo unit at JVH.

## Epson 7900/9900 Printers - a big success

These new generation printers are working really well. Our Epson customers like the **blazing** speed, **pristine** image quality, **expanded** color gamut, and **quiet** operation. It's what you'd expect with a 9th-generation product from the technology leader. Let us know if you want to stop by to see a demo or to get some sample prints sent. If you are ready to move up, we have 24" and 44" printers in stock available for delivery.
