New Epson 64"-wide Printer

On August 15, Epson will be releasing information in the USA on its brand new 64"-wide printer. This exciting printer has **blazing speed** and some **very cool features**. We will send out a bulletin on **August 15** with all the information on this new technology printer. When the printers start shipping in **October**, they will be **very hard to get** because of limited production. At this time, we are penciling in people on a **pre-order list**. If you haven't already, please do let us know if you want us to put you on the list.

Océ Promotion - Buy 3 rolls/Get 4th Free
