New Epson Stylus Pro 4900 17"-wide printer

This industry leading new photo printer is available in December and will probably be sold out for awhile. Let us know if you want us to pencil you in on the preorder list.

The advanced Epson MicroPiezo TFP print head and industry leading UltraChrome® HDR Inks, provide extraordinary quality prints at speeds **twice** as fast as the previous generation. And, with the latest ink-repelling coating and auto nozzle verification technologies, **clogged nozzles** are **virtually eliminated**.

Handling a wide variety of media, you can load **both** the front paper tray and roll feeder with different media and automatically switch between them **on the fly**.

An optional high performance, in-line **spectrophotometer** for commercial proofing applications is also available to automate any color management process. \$2,495. Details at http://jvhtech.com/whats_new.php

Digital Printing Workshop Thursday Nov 11

Randy Hufford will demonstrate the latest techniques to take your printing to a new level. In this **one-day** workshop, he will show you how to **produce** and **market** high quality archival large-format digital prints. \$40 per attendee, lunch included. RSVP any time. Some cool snippets of Randy's work:

- Haleakala Crater - 1500 images in 90 sec

Digital Festival Friday Nov 12 in Bellevue WA

Mark your calendar for this free, educational Festival at the Embassy Suites. To RSVP, just call, email us, or jump on: <http://jvhtech.com/festival.php>

Learn about **large-format digital printing**, RIP/printing software, digital copy stands, Photoshop, profiles/color management, print finishing, and marketing strategies. Chat with Epson, Canon and other manufacturers to find out what's new. Enhance your **customer service** and **increase your business** by strategically **positioning** your products.

At the Festival, we will also be holding the **7th Annual Digital Print Contest**. This **free** all-comers-welcome enjoyable event shows off a wide variety of our customers' cool work with fun prizes.

Epson new 24" 7890 and 44" 9890 Printers

These have the same ink sets as older 7880/9880s, but have Photo **and** Matte Black, and are **twice** as fast. Basically, a 7900/9900, without the Orange and Green. Info at http://jvhtech.com/whats_new.php
