Digital Festival Keynote Speaker

We are very excited that **Bambi Cantrell** will be our featured speaker at the upcoming Digital Festival on **Friday, November 6** in Bellevue, WA.

In 2007, American Photo Magazine named Bambi Cantrell as one of the "10 Best Wedding Photographers in the world." She has many credits including honors from Microsoft for being named the first woman "Icon of Imaging" in its elite **Icons** program, and to this day provides photographic educational training to photographers worldwide.

Her passion for capturing the decisive moment and her subsequent creative style have made her a household name in the photographic industry. Ms Cantrell was recently asked what was the secret to her great success? Her answer was simple. "I just love people, and believe truly great photographs are a reflection of who the client is, not who I want them to be."

At the Nov 6 Digital Festival, come and take in **Cantrell Couture Portraits with Style**. This exciting program will explore aspects in lighting, posing, and composition to create captivating fine art portraits. Ms Cantrell will demonstrate many concepts guaranteed to take your photography to the next level. Join us for an entertaining, energetic program by one of American Photo Magazine's "10 Best".

JVH Digital Festival should be Best Ever

This annual **large-format digital printing** event will again be held again at the Embassy Suites in Bellevue, WA. Mark your calendar for **Friday, Nov 6**. The Festival is **educational, fun, and free**. You can RSVP at tel 425.643.7323 or email us at jvhman@aol.com

At the Festival, we will also be holding the **6th Annual Digital Print Contest**. This fun event shows off many of our customers' intriguing photography/artwork. There will be three separate entry **categories**. We are also simplifying this year and are looking for **one** print per entrant. The contest rules and Festival info are posted on www.jvhtech.com
