ReelPRO™

Patent Pending

Increase productivity and streamline your workflow with ReelPRO™

ReelPRO is an affordable, easy to install, easy to use take-up system which will allow you to take control of your workflow. At the heart of ReelPRO is a proprietary, patent pending drive train. Developed by Supply55, it provides superior performance and reliability. ReelPRO will immediately start saving you money through improved efficiency when printing longer jobs: banners, vehicle wraps, wallpaper, signs, etc.

ReelPRO™ is compatible with wide format printers and laminators

COMPATIBLE PRINTERS*
- Roland
- Hewlett-Packard
- Epson
- Mutoh
- Mimaki
- and many others!

COMPATIBLE LAMINATORS*
- Guardian
- Royal Sovereign
- Seal
- GBC
- CoolLam
- and many others!

* If your printer or laminator isn't listed, give us a call or visit us at supply55.com. We'll help you configure a professional take-up system to work specifically with your device.

BENEFITS
- Unattended printing
- Avoid dust and dirt on printed images
- Eliminate waste through improved workflow
- Stop kinking and scratching prints as they are moved from the printer to your work tables or as they hit the floor
