

EXPERTISE IN SELF-ADHESIVE FILMS

This easily removable digital printing film is suitable for many different surfaces like woodchip paper, glass, or on paintwork and is perfect also for wall tattoos. It is very easy to apply and even after a longer time removable without any problems. With this characteristic this film is the perfect solution for temporary indoor and outdoor applications. In combination with 7268 WindowBlock ASLAN DFP 25, create in next to no time double sided prints, easy to apply and perfectly removable.
